2013

THE MULTIHULL SHOW

This year's MULTIHULL SHOW is giving enthusiasts the opportunity to see some of the very latest designs from the world's leading brands. See a great selection of models from small cruisers to sporty trimarans and ocean going yachts. They will all in one location on the water at Haslar Marina, Gosport, Hampshire.

We'll be here from 10am to 5pm daily, and as well as viewings there will be opportunities to test sail selected boats by prior appointment.

Lively performance, easy handling and the ultimate in comfort have become synonymous with the Lagoon brand. Ancasta have always been impressed with the design and craftsmanship that utilises every inch of space to its maximum potential and provides a triumph in ergonomics.

We'd like to invite you on board, to experience for yourselves the ease with which one negotiates the famous Nauta Yachts interiors. Take your time and feel free to move unhindered through the boat while mentally visualising how effortless living aboard could be. Lagoon have achieved near perfection when it comes to combining luxury without limitations.

This year we will be proudly displaying the **Lagoon 39**, a brand new innovation with a fabulous interior and particularly easy sailing characteristics.

Dragonfly folding trimarans will redefine your expectations of sailing with a unique combination of performance, quality and comfort, which has won two *European Yacht of the Year* awards. They offer exhilarating 20 knot performance yet are simple to sail, even solo. Large trampolines create huge deckspace and a Dragonfly floats in knee-deep water to access anchorages denied to other yachts. Beautifully crafted interiors maximize cruising comfort and on arrival, a Dragonfly quickly folds to reduce beam by 50% to access monohull marina berths.

The stunning new Dragonfly 32 is the latest model from Quorning Boats, who have built trimarans in Denmark for 45 years, and was voted best *Performance Boat over 30ft* in the Yachts & Yachting Awards 2013. Our range extends from 28ft to 40ft.

Put the fun back into sailing, come and see how a Dragonfly could 'Unfold your Horizons'.

Performance, comfort, style, innovation and versatility are key traits which have produced consecutive award-winning models within the Leopard Catamaran line. These blue water cruising cats - built by the Robertson & Caine shipyard in Cape Town and delivered worldwide on their own bottom - are fun to sail, easily maintained and aesthetically pleasing to own. Our sail range includes a Leopard 39, a **Leopard 44**, a Leopard 48 and a Leopard 58 – plus 2 powercats the Leopard 39PC and the Leopard 51PC.

The award-winning **Leopard 44**, displayed at the Portsmouth Multihull Show, represents Robertson and Caine's latest developments with modern features not yet seen on production catamarans. Fitted with a spacious 3 cabin/ 3 head owner layout, large saloon/ galley, hardtop covered aft cockpit plus an additional innovative forward cockpit and a generous sail plan, this cat combines comfort, entertaining and sailing performance.

All Leopard cats are available to own privately or through the Sunsail & Moorings ownership programmes.

The **Gemini Legacy 35** is a great choice as a catamaran, offering a level sailing platform which can fit in a standard marina berth and navigate the European canals due to its 14' (4.27m) beam. This boat's 34 inch (1m) draft allows access to sail in shallow waters (or sit in a mud mooring).

With all lines running to the cockpit, the **Gemini Legacy 35** is ideal for novice and seasoned sailors alike. The twin Yanmar diesel engines offer great manoeuvrability, as well as reliability and fuel efficiency. The new rig is modern and simple with the mainsheet traveller clear of the cockpit. The hardtop offers protection for the cockpit from the weather. This small catamaran offers a large accommodation with standing headroom.

Please come and visit all these new features as we introduce the **Gemini Legacy 35** for the first time in the UK.

Come and find out the differences of sailing catamarans to Monohulls. Losing none of the performance but gaining much in stability and luxury.

Whether you are an experienced sailor or a novice interested in having a try, come aboard and have a friendly chat about trying a catamaran for a day or if you are feeling more adventurous, for longer.

Our Catamarans come with their own Skipper & crew to make it perfect for that Special Day – a cruise along the Hampshire coast & The Isle of Wight, or maybe you are interested in joining with work colleagues for a day out of Team Building fun. Have a go at helming or trimming the sails or just relax and let the world go by.

We are an official RYA Training School so if you want to have that important piece of paper that allows you to charter in the Med and skipper your own boat, come and take a course with us on Blue Tango instructed by qualified RYA instructors that you can trust.

Privilege

Patrick Boyd Multihulls is the oldest specialist multihull broker in the world. We were established in 1975 and our forte is quality offshore multihulls, particularly for the long-distance liveaboard sailor. If you are looking to buy a pre-owned multihull or sell the one you have, come and talk with us. We have been UK distributors for Privilege catamarans for the last 10 years and they are now manufactured by Privilege Marine, in France.

At the Show we have a new **Privilege 445**, straight from the factory for you to view. From here she will cruise the Mediterranean and beyond. The owners are from Australia and are typical of the international mix of our clients. Privilege catamarans are very high quality, each one built to the owner's specifications. They are not mass-produced, with about 25 per year in production. The range is from 45' loa to 75' loa, with the models being P445, P495, P515, P615 and the P745.

We look forward to seeing you on board and showing you around.

With sleek lines, fast sailing performance and luxury accommodation, the Discovery 50 Cat has been carefully designed and meticulously built for short-handed blue water cruising. Designed by the world-renowned Dixon Yacht Designs, this state-of-the-art multihull offers spacious on-board living with world-class cruising performance.

The cockpit of the Discovery 50 Cat offers a generous dining area with specially angled seats for real comfort as well as two magnificent sun beds where you can lie sheltered from the wind. The transom decks provide another recreation area for lounging and barbecuing with steps to the water for swimming and diving. The two-seater helm position is part of the cockpit, whilst being raised to give clear all round visibility and features all the sailing controls to ensure easy handling for just two people.

The Discovery 50 Cat has won 4 International media awards including Best Accommodations and Best Catamaran.
